Office of Legislative Liaison

- On Wednesday, 22 February, the Director of Security and the Deputy Chief of the Polygraph Division will testify in closed session before the SSCI concerning the CIA's polygraph program. DoD and NSA will also testify concerning their respective programs. The SSCI requested this testimony to aid in their evaluation of the proposed expansion of the polygraph program within the DoD.
- See tab for information on the Acting DCI's appearance before HPSCI and SSCI to present DCI overview of the FY-85 NFIP.

Public Affairs Office

- The scheduled "off-the-record" meeting with [] took place here on Monday, 13 February. PAO gave her an opportunity to present her views which she clearly appreciated and took advantage of for some two hours. PAO assured her that the Agency was not attempting to prejudge the outcome [] which was her main concern. While nothing [] said was new [] (PAO did not tell her that), D/PAO thinks the meeting was useful in bringing about a more cordial relationship between her and the Agency, which was its purpose.
- PAO approved Senator Huddleston's request that his office be permitted to film him in front of the Agency. For cover and disruption reasons, D/PAO has asked that it be done on a Saturday afternoon or Sunday.
